

# Wednesday

Wednesday is a sweet story about two best friends, Little Round and Big Square. But it's also about what it is to really play imaginatively with another. Every Wednesday, our two friends get together to play. Sometimes they have some tough moments, like all true friends, but they mostly have the best time that two friends can ever have together! Illustrated in a strong, two-color graphic style, Wednesday has strong appeal for the youngest readers as well as for parents and teachers. Anne Bertier has been writing and illustrating children's books since 1995. She studied literature while attending mime courses at the Sylvia Monfort School. Her particular interests in creating art are composition and balance.
