

The Journal of Philology (Volume 14)

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated.1885 Excerpt: ... Derivatives in J-from verbs JI7 are numerous (Olsh. 215d), and the forms are regularly JVN, VJI15 The only exceptions are Wj5 (perhaps formed on a false analogy with jteTj, bTD; and JIVI Gen. iii. 16, JIIVK Ez. xl. 15 Qri, if the reading in these passages be correct. But WN and 15Pp both retain the j-; and there is thus no analogy in Hebrew for a word of the form riSc derived from a root flStP. Even, however, were this difficulty to be overcome, a derivative from fl would hardly afford an appropriate title for the Messiah; fl is not a full and significant word like (Zech. ix. 10): at most it denotes mere rest (Ps. cxxii. 6,7), and is often associated with the idea of careless, worldly ease (e.g. Job xii. 6; Ez. xvi. 49). The rendering Peaceful one, or Peace-bringer, reads more into the word than, as a derivative of flW, it would fairly express. As regards both form and meaning, therefore, the personal sense attached to the word in A. V. labours under grave difficulties. Let us consider the exegesis of the passage historically. It is remarkable that no ancient version, and indeed no known authority for several centuries after the Christian era, implies the Massoretic reading, or sees in the passage a proper name. It is true that it was generally interpreted in antiquity of the Messianic or ideal future of Israel: but this sense was reached in virtue of the general context of the passage, and not through a proper name Shiloh. If we disregard the plena scriptio, which has generally little claim to originality, and is here not found in many MSS., and 1 The argument in the text is substantially that of Tuch (ad loc.), which is admitted to be conclusive even by Hengstenberg (Christology i. 68 f.), though

he endeavours, by the arbitrary supposition
that p...
