

Since 1944, Ideals Christmas has been a tradition in thousands of homes across the USA. These loyal readers are drawn again to the celebratory tone of the text, as well as the beauty of the artwork and photographs. Traditional poems explore the meaning of the holiday and recall special times with family and friends. Readers also love the Bible passages, which are illustrated with brilliant paintings of Christmas history. Perhaps most of all, readers seek the warm and tender stories of past Christmases, calling to mind their own fond memories. Ideals Christmas is packed with the traditions of Christmas, the Biblical story, quiet devotions for the season and stories and poems of joy and giving. Here is a celebration of the moments and the sentiments of this lovely, holy, wonderful time of year. Readers will continue to hold a special place for Ideals in their hearts and in their homes at Christmastime.
