

UnBlessed (The Blessings of Myrillia) (Volume 1)

Kisara Tenebris is a Melior: one of the elemental magic users that populate the world of Myrillia. Every aspect of Melior life is dictated by their Blessing, or ability, with the rarest and most powerful earning a spot on the ruling council. Kisara dreams of the day she'll receive her own Blessing and take her place among society. But when she's unBlessed year after year, left behind by her friends and the boy she loves, she can't help but wonder what she did wrong. Instead, Kisara must discover that magic doesn't determine one's worth and that she doesn't have to be like everyone else to be accepted. After all, the Elements have greater things planned for Kisara.
