

ECM Sleeves of Desire (Edition of Contemporary Music Sleeves of Desire : a Cover Story)

The ECM recording labels contribution to the fields of jazz and contemporary classical music is unparalleled, and its success story has been visually enhanced by the striking covers designed under Manfred Eichers art direction by Barbara Wojirsch and Dieter Rehm. A delight for music and design fans alike, the book presents chronologically ordered color reproductions of over 500 covers from the innovative ECM label. *Sleeves of Desire* also contains a comprehensive picture essay that provides a detailed look at over 100 album covers. Additionally, renowned jazz essayist Peter Ruedi relates the history of the ECM label and designer Lars Muller comments on the evolution of the covers and on ECMs unmistakable aesthetic signature.
