

## Here to Stay: A Brief History of the American Board of Facial Plastic and Reconstructive Surgery in Celebration of its Twentieth Anniversary September 2006

Drawing from archival records and illustrated with photographs of the individuals who played major roles, this book details the history of the American Board of Facial Plastic and Reconstructive Surgery. It chronicles the events and battles that led facial plastic surgeons to create a certifying board that could withstand the scrutiny of regulators and competitors and deliver to the public the names of surgeons who meet the highest standards of practice.
