

# Hope Conquers All: Inspiring Stories of Love and Healing from CaringBridge

In 1997, Sona Mehring created the first CaringBridge website when a close friend endured a life-threatening pregnancy. CaringBridge is now used by over 500,000 people a day, with 44 million unique visitors over the past year. Through CaringBridge, Mehring has witnessed thousands of stories of hope and connection among people struggling with stroke, cancer, and other life-changing conditions. HOPE CONQUERS ALL shares some of its most touching stories. HOPE CONQUERS ALL will contain stories from people of all ages and backgrounds. The adversities they face vary greatly, from children with cancer, to adults requiring life-saving transplants, to victims of horrific accidents, but their stories are unified—hope does conquer all. And CaringBridge is a place where hope grows. It's a site that helps people reach out and stay in touch through moments of great need. It inspires them and instills hope; it helps foster and encourage much-needed emotional connection. These intimate personal stories, which reveal the underlying spiritual presence that connects us all, will encourage people to create channels of love and support in their own lives.
