

Chinese Characters: learning to read and write, just one each day...: book 3, library edition, english

Chinese Characters: learning to read and write, just one each day...library edition, book 3, english an astonishingly fun and playful way to learn to read and write chinese characters... this simple and highly interactive guide takes you through mastering one - yes, just one - new character each day... the little guide is filled with entertaining and informative stories, ideas, and bite-size bits of chinese culture and wisdom... anyone who follows the system is practically guaranteed an end result of a confident ability to read and write these beautiful artistic characters... each book in the series contains 25 new characters...understanding to use each new character builds clearly and enjoyably on the characters the reader has learned before... SPECIAL NOTE: PLEASE DO NOT READ OR USE ANY OF THE BOOKS IN THIS SERIES WITHOUT USING THE ONE(S) WHICH COME BEFORE IT! (we use a special system where new characters build on the ones which appear earlier in the series - and that relates to their meanings, their look, the styles of writing involved, and all the chinese culture stories...in all cases what is presented will refer to ideas and techniques appearing earlier...) THANK YOU!
