

Pooh Invents a New Game

Emerging readers will again experience the irrepressible wit and whimsy of A. A. Milne's classic stories in two new easy-to-read books adapted by veteran author Stephen Krensky. Accessible and attractive, with Ernest H. Shepards delightful full-color illustrations, these books are sure to be a hit with youngsters eager to get better acquainted with the Best Bear in All the World-Winnie-the-Pooh. In *Pooh Invents a New Game*, readers join Our Bear in an exciting game of Poohsticks and find out why poor Eeyore is floating in the river. In *Christopher Robin Leads an Expedition*, they can read about Winnie-the-Poohs search for the North Pole, even if the Bear of Little Brain isn't quite sure what a North Pole looks like! Illustrated by Ernest H. Shepard. Adapted by Stephen Krensky.
