

Tale of 2 Books: Battle for Earth

In this epic tale of good versus evil a young woman Jessica Connor is chosen by a book to defend Earth and all of mankind from the ensuing evil of the underworld! Two armies are fighting for control of Earth, the Heavenly Realm and the Underworld Realm. The two realms have chosen their warriors on Earth to use their power to take over and subdue this world. In this epic tale Jessica Connor is chosen by the Heavenly Realm book alongside her friends to battle the Lockharts the family that represents the underworld realm. These two families battle it out with spells, summons and the adventure of a lifetime as Jessica and her friends explore the heavenly realms meeting dwarfs, dragons, mages, hermits, and all types of unusual creatures that aid Jessica to defeat the underworld where Grandmother and the Lockharts are seeking to awaken an ancient army and release the power of darkness. In this new spin on mythology and magic there is nothing that is impossible and imagination is the limit to the twists and turns of two families working to enslave or liberate mankind. This is a must read for any fans of fiction, the small child that still sees life through the lens of faith, and the old man or woman who never stopped believing in the power of good!
