

# Your Ultimate Decision

Your Ultimate Decision explores the basic tenets of why I made the choice to believe there is a God. It looks at what the Bible says, What some men say, What natural law says, and what Jesus Christ says. The material is presented by Daniel Harwood in a straight forward, common sense format that seeks to present the basic facts that everyone should consider. This is a choice that everyone makes sometime during their lifetime. A choice that determines how you live, how you relate to people, and ultimately determines where you will spend eternity. What choice are you making?
